Cancellation Policy/Refunds

Our goal is to offer a great cropping event at the lowest possible rates. To do this, we must book our crop to capacity and we count on our registered attendees to be there. We do understand that circumstances arise that prevent you from attending and we work to accommodate each request.

*However, we will no longer be able to transfer registrations from one event to another. You may request a refund in writing, minus a \$50.00 cancellation fee, up to 60 days before the event. After 60 days, no refunds will be issued, no exceptions, including, but not limited to weather or natural disasters. There will be no refunds for no-shows. Policies and prices are subject to change.

There is NO EXCEPTION to the cancellation policy. Registrations are non-transferable.
